

What's the time?

This task is about matching times with daily activities.

Draw a line to match the things Sam does on a school day with the time that they would most likely happen. The first one has been done for you. There will be one time that is left over.

The things Sam does	The time they happen
Waking up ●	● 9:00 a.m.
Eating breakfast ●	● 7:00 a.m.
Walking to school ●	● 3:00 p.m.
Starting school ●	● 12:30 p.m.
Morning playtime ●	● 7:30 a.m.
Eating lunch ●	● 6:15 p.m.
Finishing school ●	● 2:00 p.m.
Eating dinner ●	● 8:15 a.m.
	● 10:30 a.m.
