

School vege garden

This task is about adding numbers.

Some students are starting a school garden.

Work out how many vegetables they plant.

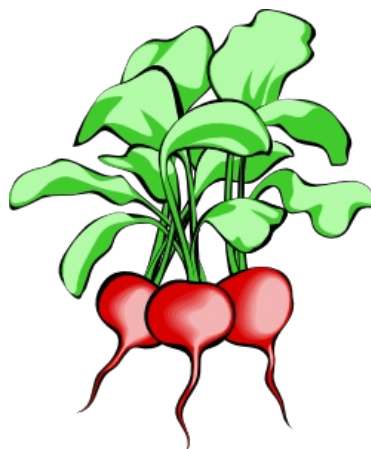

- a) Shane plants 5 lettuces.
Toby plants 3 lettuces.

How many lettuces do they plant altogether?

- c) Hohepa plants 5 broccoli.
Sam plants 7 broccoli and Thomas plants 3 broccoli.

How many broccoli do they plant altogether?

- b) Maraea plants 8 beetroot.
Leon plants 6 beetroot.

How many beetroot do they plant altogether?
