

# School vege garden

---

**This task is about adding numbers.**

Some students are starting a school garden.

Work out how many vegetables they plant.

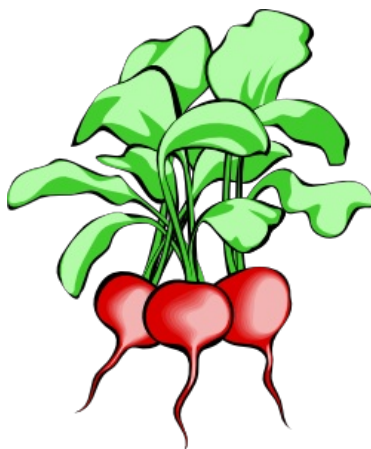

- a) Shane plants 5 lettuces.  
Toby plants 3 lettuces.

How many lettuces do they plant altogether?

- c) Hohepa plants 5 broccoli.  
Sam plants 7 broccoli and Thomas plants 3 broccoli.

How many broccoli do they plant altogether?

- b) Maraea plants 8 beetroot.  
Leon plants 6 beetroot.

How many beetroot do they plant altogether?
