School vege garden

This task is about adding numbers.

Some students are starting a school garden. Work out how many vegetables they plant.

a) Shane plants 5 lettuces. Toby plants 3 lettuces.

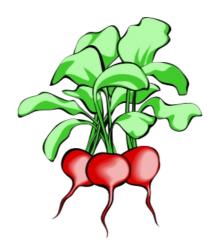

How many lettuces do they plant altogether?

c) Hohepa plants 5 broccoli.

Sam plants 7 broccoli and Thomas plants 3 broccoli.

How many broccoli do they plant altogether?

b) Maraea plants 8 beetroot. Leon plants 6 beetroot.

How many beetroot do they plant altogether?
