

# Maths 4c

---

This collection has 5 different student tasks. Some of the questions ask you to:

- write numbers or words in boxes
- click on some multiple choice options.
- drag numbers into boxes

Please click on each resource and complete them online.

1. Press the START button.
2. Press the NEXT button to move to the next part of the task.
3. Press the FINISH button after the last part of the task.
4. Look at your answers.
5. If your teacher has asked to you to download or email the results, scroll down to the end of your results, and then click on the SHARE button
6. Enter your name and year level and click DOWNLOAD or enter the email address to send to, and EMAIL.
7. You will now be ready to click on the next task.

When you have finished one please go on to the next task.

Please note: not all tasks are computer marked.

Thank you
