

Whose nest is this?

I am learning to look very carefully and notice what is important when answering a science question.
I will know I can do this when:

- I notice things about birds and where they live.
- I can give reasons for my ideas about which nest belongs to each bird.

Which nest belongs to this bird?

☐ 

☐ 

☐ 

☐ 

Why did you choose this nest?

Which nest belongs to this bird?
