

## Whose nest is this?

I am learning to look very carefully and notice what is important when answering a science question.  
I will know I can do this when:

- I notice things about birds and where they live.
- I can give reasons for my ideas about which nest belongs to each bird.

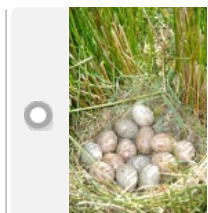

Which nest belongs to this bird?

Why did you choose this nest?

Which nest belongs to this bird?

Why did you choose this nest?

Which nest belongs to this bird?

<input type="radio"/> 	<input type="radio"/> 	<input type="radio"/> 	<input type="radio"/> 
---	---	--	---

Why did you choose this nest?

Which nest belongs to this bird?
