

Recycling Week: 7-13 November 2016

Recycling Week: 7-13 November 2016

Submitted by jonathan on Tue, 11/08/2016 - 11:57

Kia ora

Recycling Week aims to raise awareness about recycling and help people improve their recycling habits. Now in its 5th year, an increasing number of businesses and schools are proactively taking part in Recycling Week. Check out: [Recycling week](#).

On the ARB website there are a number of assessment resources that you might like to use during *Recycling week*. Here is a selection.

Science (Level 3)

Recycling advertisement

Recycling – true or false?

Advantages and disadvantages of recycling

Plastic recycling

Recycling aluminium

Recycling materials

English

A load of junk (Level 2)

For more information and to see the Recycling Week themes go to [Recycling Week](#),
