

Talking about graphs

This task is about information in graphs.

Mataī Hub's favourite colours

Kauri Hub's favourite colours

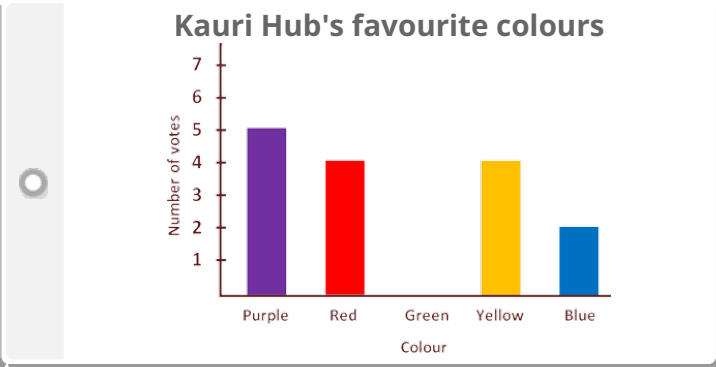

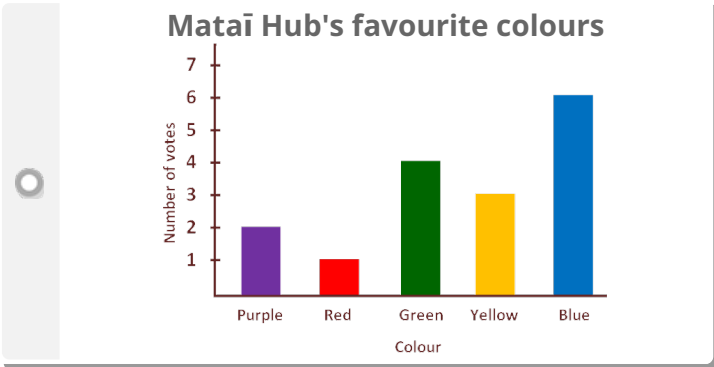

Students in the Mataī and Kauri Hubs voted for their favourite colour. These graphs show how each Hub voted.

a) Aroha says,

The colour blue has the most votes in this Hub.

Select the graph which shows this.

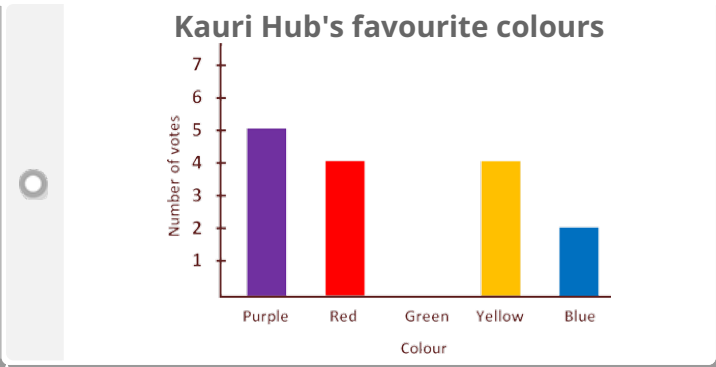

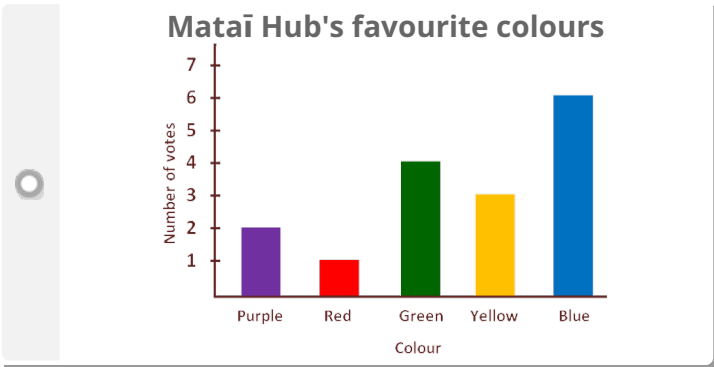

b) Nick says,

The colours red and yellow got the same number of votes in this Hub.

Select the graph which shows this.

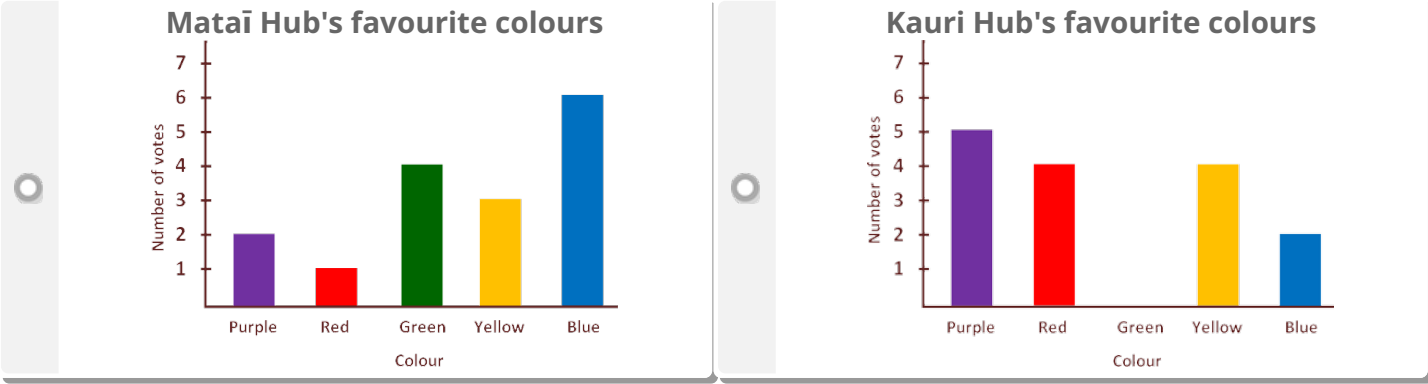

c) Evie says,

The colour green got no votes in this Hub.

Select the graph which shows this.

d) Eli says,

Most people voted green or blue in this Hub.

Select the graph which shows this.
