

# Rubbish on the beach

---

This task is about looking carefully and thinking about the things you see.

Here is a photograph of a beach.

a) Look carefully at the photo. Make a list of things you can see that **belong** on this beach.

b) Look carefully at the photo. Make a list of things you can see that **do not belong** on this beach.

c) Why do you think it is bad to have these things on the beach?

d) What do you think might happen if these things got into the sea?
