

River in flood

This task is about looking carefully and thinking about the things you notice.

Here are some photos of the Buller River.

- a) How can you tell both photos were taken at the same **place**?
Put your ideas in the box below.

- b) How can you tell the photos were taken at different **times**?
Put your ideas in the box below:

- c) Some students were looking carefully at the **second** photo.
Hana said "**Wow! It must have rained a lot in the mountains.**"

What has Hana noticed to make her say that?
