

Missing numbers and rules

This task is about identifying missing numbers and the rule for a growing number pattern.

For each set of numbers

1. write the three missing numbers,
2. write the rule for the number pattern.

Write the 3 missing numbers in this pattern: 9, 15, 21, , ,

Write the rule for the pattern

Write the 3 missing numbers in this pattern: 35, 47, , 71, ,

Write the rule for the pattern

Write the 3 missing numbers in this pattern: , 130, 124, 118, , , 100

Write the rule for the pattern

Write the 3 missing numbers in this pattern: 84, 76, 68, , ,

Write the rule for the pattern
