Missing numbers and rules

This task is about identifying missing numbers and the rule for a growing number pattern.

For each set of numbers

- 1. write the three missing numbers,
- 2. write the rule for the number pattern.

Write the 3 missing numbers in this pattern: 9, 15, 21,,,
Write the rule for the pattern
Write the 3 missing numbers in this pattern: 35, 47,, 71,,
Write the rule for the pattern
Write the 3 missing numbers in this pattern: , 130, 124, 118, , 100
Write the rule for the pattern
Write the 3 missing numbers in this pattern: 84, 76, 68, , , , ,
Write the rule for the pattern
