

# Proofreading Andre's writing

---

**This task is about finding and correcting spelling mistakes.**

Andre has written about going to his school camp, but he has made some spelling mistakes. Read Andre's story and circle all the spelling mistakes. Write the correct spelling of the words in the space at the start of each line. If you cannot find a mistake, put a tick (✓) in the space. The first two lines have been done for you.

finally Finally the day was really close. Everyone was very excited.

✓ The waiting was over! The teachers seemed excited as well.

\_\_\_\_\_ Tomorrow was the day! The day we were going to camp.

\_\_\_\_\_ It was really going to hapen. After an evening to inform

\_\_\_\_\_ our parents, we had been given letters to take home and get

\_\_\_\_\_ signed. All those who were aloud to go to camp had worked

\_\_\_\_\_ hard selling sausages to raise enough muneey to keep the

\_\_\_\_\_ cost for each student to seventy dollers. I had been

\_\_\_\_\_ dreaming of this since I was five and it had been a long time

\_\_\_\_\_ to wait. I could hardly beleive it!

\_\_\_\_\_ My bags were packed. I had everythink on the list. I was

\_\_\_\_\_ so excited, I couldn't sleep. I lay awake thinking about all

\_\_\_\_\_ the fun we would have: swiming in the river and the other

\_\_\_\_\_ games, sleeping in a cabin with my freinds, the camp fire,

\_\_\_\_\_ the confidence course, and getting up early for brakefast.

\_\_\_\_\_ No, I probably wouldn't enjoy getting up too early!

\_\_\_\_\_ This was going to be the best - I was sure that this would

\_\_\_\_\_ become my favorite memory of school.
