

Which word is right?

This task is about choosing the right word to make a sentence correct.

Read the story. In some sentences, there will be a list of possible words to choose from. Only one of the words in each list makes sense.

Choose the **one** word that makes sense in the sentence it is in.

Staying at Koro's House

I stayed at my Nanny and Koro's house on the weekend. Mum said that I was to
where/ wear/ we're my best clothes, so I had to take *off/ of* my rugby jersey. Mum
drove me to *there/ their/ they're* house because it was *two/ too/ to* far to walk. Nanny
and Koro have *to/ too/ two* TVs so I went to watch some cartoons in their bedroom while
Mum talked with Nanny in the lounge. Koro was working in the garden. He
nose/ knows/ no's heaps about plants. On Saturday night three of my cousins
were/ where/ we're staying and we went *too/ to/ two* the movies. Later we all slept in
the same bedroom. It was fun talking in bed with the lights out.
