

Writing a letter

This task is about using capital letters.

Jamie has written an email to his friend Hoani. Read the email carefully as Jamie has forgotten to use capital letters for the proper nouns. Put **capital letters** where Jamie should have put them.

Kia ora Hoani

I have really enjoyed living in wellington since june. I have made some friends at my new school, which is rata school on paremata street. My teacher is mrs rapana. She is all right. In our classroom we have a pet mouse called mr snow. It is my job to clean the mouse house on tuesdays.

We have visited lots of interesting places like the museum, te papa. I went to see the rugby at the sky stadium in september. It was awesome to see damian charge down the field.

I am still playing rugby. I play for the norths rugby club now. We train on wednesdays. My new friend callum is in my team too.

Would you like to come and stay with us in the next holidays? I hope you will. Say hi to all my old friends, especially to everyone at whenuapai rugby club.

Your friend

Jamie
