

Capital letters

This task is about putting capital letters in the right places.

Ben wrote a description of himself. He forgot to put capital letters in some places.

Read his description below and put **capital letters** in all the places they are needed.

All About Me

My name is ben parata. I have blue eyes and brown hair. I am seven years old and my birthday is on the fourth of may. There are six people in my family. I have two older sisters and a younger brother. We have a pet budgie called squawk and a dog called patch. We used to live in gisborne but we moved to auckland in september. At the moment we are living at my grandma's house but we will be moving into our new house soon. Our new house is in milbrook road so it won't take me long to get to school.

My friends at sunnyvale school are tim and josh. My best friend from my old school, is jason. He still writes me letters sometimes. In the school holidays I am going to stay with him.

My hobbies are skateboarding, making model planes, and reading. I go to swimming lessons every monday after school and I play soccer at henderson park on saturday mornings. My soccer coach is steve fletcher. He is really cool. My favourite book is "the mouse and the motorcycle".
