

Using capital letters II

This task is about when to use capital letters.

Petra was given the name of a young person from another country to write to as a pen pal. She wrote a good email, but she forgot to use capital letters in some places. Read her email and put capital letters in all the places they are needed.

Dear Aleki

My name is petra and I would like to be your pen pal. I am eight years old. I live with my mum and my brother tim. We have a cat called whiskers and a dog called spot. Do you have any pets? I was born in napier but now we live in wellington. It is the capital city of new zealand. It is very windy. What is the weather like in sāmōa?

We used to live on pitt street but now we live on mairangi road right next door to my school. It only takes me about two minutes to get to school each morning. I go to rimu school. My teacher is mrs taitoko. She is cool. She lets us play games if we finish our work early. My best friend is anna. I am three days older than she is. My birthday is on the 31st of may and her birthday is on the 3rd of june. My birthday is only one week away. I am having a sleepover on friday night. When is your birthday? My hobbies are roller-blading, reading, and drawing. On saturday mornings I play softball at wadestown park. My softball coach is mr whittle. He is quite nice but sometimes he gets grumpy. My favourite book is "under the mountain". My favourite TV programme is "zena the warrior princess". What is your favourite programme?

I hope you write back to me soon. I can't wait to get a letter from you.

From Petra
