

Describe what you're experiencing

This task is about writing a description using details from an image.

Put yourself in the image and describe what you are experiencing. Use details such as clothing, body language, and details from all of the image.

You could also describe sight, sound, smell, taste, and touch.

a) Brainstorm your ideas in the space below.

b) Use your brainstorm to write a draft of your description (a paragraph).

c) Write your description (a paragraph).
