

# Cuthbert's Babies

---

This task is about analysing a character's feelings, and synthesising ideas in a story.

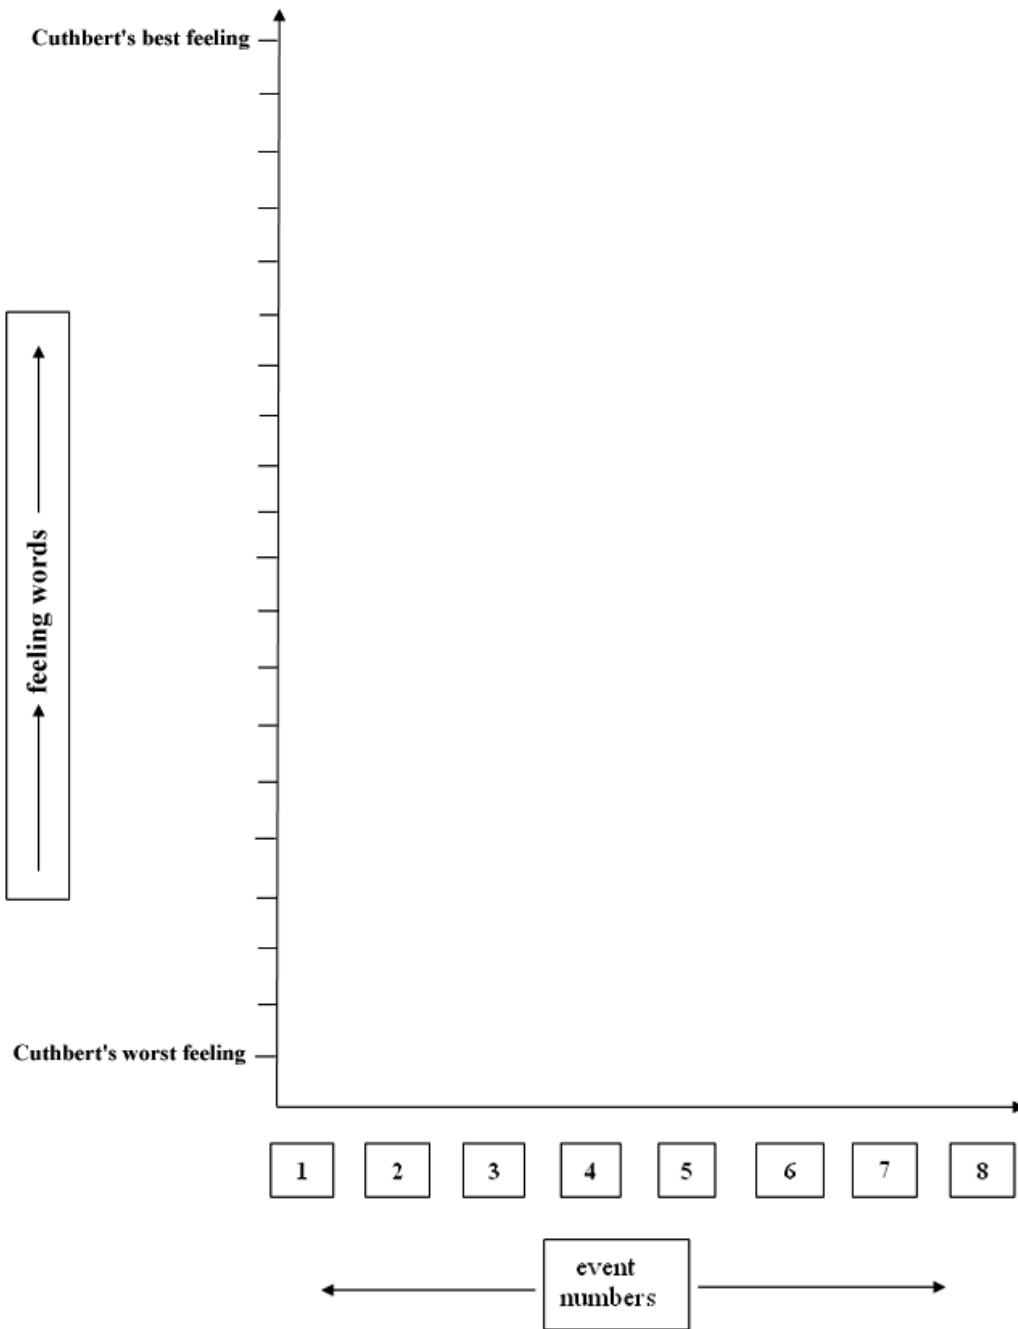

Some "feeling" words (to help fill in the chart below) are:

unhappy / naughty / delighted / guilty	bad / loving / happy / ignored	jealous / unloved / joyful / responsible	afraid / mischievous / annoyed / relieved	loved / worried / frustrated / content
--	--------------------------------	--	---	--

**Chart template:**

<b>Event</b>	<b>How is Cuthbert feeling now?</b>	<b>What evidence tells us this?</b>	<b>Why might Cuthbert be feeling this way?</b>
1) Cuthbert being asked if he wants a brother			
2) Cuthbert's life with his parents and grandparents			
3) Babies at home and all the visitors			
4) Cuthbert's new life with the babies			
5) Pirates come			
6) The babies wake up			
7) Cuthbert cares for the babies			
8) Cuthbert and his mother at the end			

Title for graph: \_\_\_\_\_

Use all the ideas from the book that you have thought and talked about to fill this in:

I think the graph is telling us:
