

Taniwha messages

The purpose of this task is to identify and find evidence of an author's message and audience.

Texts often teach lessons or give messages.

- Read the book '**Taniwha**', which is written and illustrated by Robyn Kahukiwa.
- This book gives a number of different messages.

a) What are two of these messages?	b) For each message, identify how the author and illustrator has given that message.
1.	
2.	

c) Identify one group of people you think this book is aimed at.	d) How has the author and illustrator aimed her book at this group?
