

Rock doc II

This task is about knowing which information is important so that you get the main idea. Read "Rock Doc", by K.E. Anderson, Junior Journal 21, pages 8 to 13.

a) Select the **three** pieces of information below that are most important to this text

- Not all doctors look after sick people.
- Geologists sometimes look for dinosaur fossils.
- Geologists know a lot about Earth and its rocks.
- Geologists' work is varied.
- Geologists find things underground and in rocks.
- Geologists use microscopes and other equipment.

b) What is the main idea of this text?

- Geologists work outside most of the time.
- Geologists are rock doctors.
- Geologists use their knowledge to find out all sorts of useful things.
