

# When the air moves

---

This task is about finding information and making inferences from a text.

Read the poem "When the air moves" School Journal, Part 2, No 2, Learning Media 1999 to help answer the following questions.

- a) Write down one group of words that is repeated in the first three verses of the poem.

- b) When the girl whistles, plays her recorder, and blows out the candles,  
how is she making the air move?

- c) What is the main letter sound which is repeated in the first verse?

- d) Write down four words in the first verse that describe the sounds the air makes.

1.  2.  3.  4.

- e) The air acts like a person when it "steals" the school notice.

Write down another word in the poem which describes the air as if it was a person.

- f) Write down a word in the third verse which makes it sound as though the waves are acting like a person.

- g) Write down one way the last verse is different from the others.
