

Special Holiday Attraction!

This task is about making inferences from both written and visual parts of a poem.

Read the poem *Special Holiday Attraction!* by Sean McMahon (page 24, *School Journal part 4, no. 2, 1994*). Then answer the following questions.

a) i) Look at the image and find the phrase from the poem that best matches it.

Write the phrase here:

ii) Look at the image and find the phrase from the poem that best matches it.

Write the phrase here:

iii) Look at the image and find the phrase from the poem that best matches it.

Write the phrase here:

b) i) What does this word mean in the context of the poem?

disappears

ii) What does this word mean in the context of the poem?

levitate

iii) What does this word mean in the context of the poem?

elevating

- c) **Highlight** six words or phrases in the poem that are connected with magic.
Do **not** use "levitate" or "disappears" from question b), or "magic".
