

# Special Holiday Attraction!

---

**This task is about making inferences from both written and visual parts of a poem.**

Read the poem *Special Holiday Attraction!* by Sean McMahon (page 24, *School Journal part 4, no. 2, 1994*). Then answer the following questions.

a) i) Look at the image and find the phrase from the poem that best matches it.

Write the phrase here:

ii) Look at the image and find the phrase from the poem that best matches it.

Write the phrase here:

iii) Look at the image and find the phrase from the poem that best matches it.

Write the phrase here:

b) i) What does this word mean in the context of the poem?

**disappears**

ii) What does this word mean in the context of the poem?

**levitate**

iii) What does this word mean in the context of the poem?

**elevatoring**

c) **Highlight** six words or phrases in the poem that are connected with magic.  
Do **not** use "levitate" or "disappears" from question b), or "magic".
