

Business logos

This task is about interpreting meaning from a business logo.

Logos are pictures that help show what a business sells or does. Look carefully at each of the business logos below, then write down what each business most likely sells or does.

a) What does the business sell or do?

b) What does the business sell or do?

c) What does the business sell or do?

d) What does the business sell or do?

e) What does the business sell or do?
