

What's the meaning?

This task is about identifying the meaning of a range of signs and symbols.

a) All of the signs above have a similar meaning. What is that meaning?

b) Write down **one thing** about the signs above that looks the same.

c) All of these signs have a similar meaning. What is that meaning?

d) Write down **two things** about these signs that look the same.

e) Both of these signs have a similar meaning. What is that meaning?

f) Write down **two things** about these signs that look the same.

g) What are **two ways** that signs are better for giving travellers messages than written instructions?
