

# Mouse party

---

**This task is about making inferences from illustrations.**

Look at the comic strip from pages 31 to 32 of Junior Journal 12, 1995

. Where is the mouse in **Picture 2** trying to push the cheese to?

---

. Draw circles around the **two** parts of **Picture 5** which show the mouse has an idea.

. How does the mouse move the carrot from the pantry to the block of cheese?

---

. What does the mouse use to make smaller pieces of carrot?

---

. In **Picture 9** there are some sticks in a jar. What does the mouse use these for later in the story?

---

. Why are the mice probably looking frightened in **Picture 11**?

---

. **Picture 13** has been drawn so that you feel like you are looking at it from

- A. outside the mouse hole.
- B. inside the mouse hole.
- C. above the mouse hole.
- D. below the mouse hole.

. Write a title to go with this comic strip.
