

# Instructive speech II

---

**This task is about making a speech in which you teach a group how to do something.**

Prepare a speech in which you teach a group of students how to do something. You may use visual aids to help you present your speech.

Choose a topic from the list below or make up a topic of your own.

- . Make a plan of the things you will say in your speech.
- . Write the main ideas on a cue card, but do not write out all the words in your speech.
- . Collect any visual aids you need.

## Possible topic list

### How to:

- recycle
- make poi
- make a sandwich
- play marbles
- weave a basket
- learn times tables
- play a favourite game
- ride a skateboard
- make a lei
- make popcorn
- dribble a basketball [or other sports skill]
- learn spelling words
- re use a plastic drink bottle into something useful
- make an origami bird, or
- a topic that you and your teacher agree on.
