

News report

This task is about giving an oral report about a news media topic.

Prepare a report about a topic of **local, national, or international** interest that is in the news media at the present time.

- You should present both your own opinions and information from the media.
- Write the 4-5 main ideas of your report on a cue card or into your presentation software. Do not write out the whole report.
- The report is **not** to be read or memorised.
- Use presentation software or other visual aids if you wish.
