

Instructive speech

This task is about preparing and giving an 'instructive' speech.

Prepare a speech to present to the class. In your speech, explain the steps needed to develop a skill or complete a task.

Instruct means, "To teach, train, educate with knowledge, in a logical way". (Source: *Random House Dictionary*, 2001)

- You may use presentation software or visual aids to help you present your speech.
- Write the main ideas on a cue card or into the presentation software.
- Do not write out your whole speech.
- Your teacher will tell you how long your speech needs to be.
- Select a topic from the list below.

Topics

- How to make a lei.
- How to drum Kuki Airani style.
- How to perform a sāsā (or another dance).
- How to make sushi.
- How to dribble a basketball (or do any sports skill).
- How to be a great friend.
- How to make a good video for uploading onto social media.
