

# Show and tell

---

**This task is about giving a 'show and tell' presentation to a small group.**

Your task is to give a **'show and tell'** presentation to a small group of students. Your presentation could be about a taonga, or something special to you and your whānau. If you can't bring it, you could share a photo of it.

Your group may ask you questions. Decide whether you want to answer the questions as they come up during your presentation or at the end. At the end of your presentation, lead a short discussion.

You will need to listen to others as well as give your talk.
