

Finding your way

This task is about listening carefully for details.

Look carefully at the map below, and read the questions. You can ask questions before the directions are read out.

Now listen to a set of directions about how to get to the mall while looking at the map.

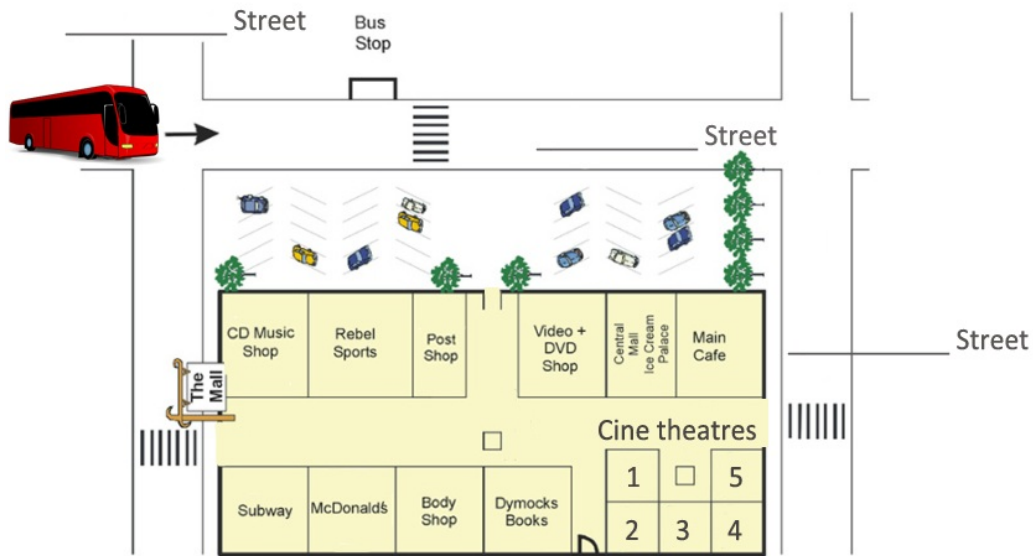

At the end of the directions you will answer some questions and show the path that is described on the map.

a) What number bus are they to catch?

b) Draw a line with arrows to show the route Lana and Taine will take.

c) On the map circle the theatre they will watch the movie in.

d) Write in the names of Main Street and Central Street in the correct places on the map.

e) What time are they to be collected by their auntie? p.m.
