

Can you fool a jackal?

This task is about listening and recalling information.

Listen to the story and answer the questions.

a) What did the crab do for the crocodile?

- Searched for animals for the crocodile to eat.
- Kept a lookout for danger.
- Brought food for the crocodile.
- Helped the crocodile find soft mud to sleep in.

b) What did the crocodile do for the crab?

- Protected him from danger.
- Let him pick its teeth for food scraps.
- Let him share a mud-hole on the river bank.
- Gave him things to eat.

c) Where did the crab find the jackal?

- Deep in the forest.
- Out hunting on the river bank.
- Asleep in the sun.
- Lying in the shade of a tree.

d) The jackal tricked the crocodile by

- getting him to move his tail.
- making him laugh.
- pretending to believe the crab's story.
- jumping up and down in front of him.

e) The crocodile thought that the jackal would help the crab because the jackal was

- too clever for his own good.
- a friend.
- inquisitive.
- hungry too.

f) Why did the crab and the crocodile want the jackal to come down to the river bank?

- To pay a friendly visit.
- To help them find food.
- So he could help bury the crocodile.
- So he could be killed and eaten.
