

# Birthday story

This task is about writing captions for a story board.

## Questions/Instructions

There are 4 pictures that tell a story. Imagine that you are writing a story book.

- . Cut out the pictures.
- . Put the pictures into an order that tells a story.
- . Put a page number on each picture to show the order.
- . Write under each picture to tell the story.
- . When you have finished, put the pages in order and staple them together.
