

# Treasure map

This task is about looking at locations on a treasure map.

Here is a map that Pirate Pete uses to find the treasure. He stops for a rest at three places. He looks to the front and can see to the sides when he stops, but he never looks back.

Source: NEMP Report 10, Pg. 24.

Draw a ring around what he can see at each stop.

### STOP 1

one palm tree  
flag  
big fish  
big rock  
big ship  
stream  
waterfall  
tree stump

### STOP 2

treasure  
stream  
tree stump  
tiger  
small boat  
waterfall  
big fish  
3 trees together

### STOP 3

ship  
big fish  
2 palm trees  
waterfall  
tiger  
treasure  
tree stump  
3 trees together
