

Spin a surprise

This task is about how likely things are to happen.

Sharni spins the arrow to see if she wins a prize at her school gala.

a) i) Which of these is true? (circle one)

- (A) Sharni is more likely to win a sweet than a muffin.
- (B) Sharni is more likely to win a muffin than a sweet.
- (C) Sharni is just as likely to win a muffin as a sweet.

ii) Explain your answer.

b) i) Tana has a spin. Which of these is most likely? (circle one)

- (A) Tana wins a prize.
- (B) Tana does not win a prize.
- (C) Tana is just as likely to win a prize as he is to not win one.

ii) Explain your answer.
