

Clothing combinations I

This task is about finding all possible combinations.

Your teacher will give you a cardboard figure and a set of clothes. There are three T-shirts (one striped, one dotted, and one plain), one pair of shorts and one pair of jeans.

- Cut out the cardboard figure and all the clothes.
- Work out all the different sets of clothes that can be worn.
- Each time you work out a new set of clothes, write it down in the box below. The first one has been done for you.

1. Striped T-shirt and shorts.
