

# Sandwich combinations II

This task is about finding all possible combinations.

Hemi is making sandwiches. He can use brown bread or white bread.

**brown bread**

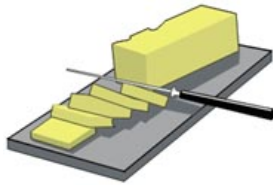

**white bread**

He can choose tomato, cheese or ham as the filling.

**tomato**

**cheese**

**ham**

Hemi can choose only **one** type of bread and **one** type of filling. Write down **all** the different choices that Hemi could have. The first one has been done for you.

Type of bread	Type of filling
brown	tomato
