

Sandwich combinations II

This task is about finding all possible combinations.

Hemi is making sandwiches. He can use brown bread or white bread.

brown bread

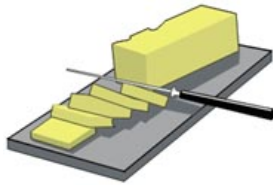

white bread

He can choose tomato, cheese or ham as the filling.

tomato

cheese

ham

Hemi can choose only **one** type of bread and **one** type of filling. Write down **all** the different choices that Hemi could have. The first one has been done for you.

Type of bread	Type of filling
brown	tomato
