# Prize draw

| Prize | Number to be won |
|---|---|
| T-shirt | 25 |
| CD | 10 |
| Cap | 43 |
| Holiday | 2 |
| **Total** | **80** |

The table above shows the prizes a radio station was giving away. Each prize was printed on to a card. Kylie was the first winner to draw one of the 80 cards from a barrel.

a) Which prize was Kylie **least likely** to win? _____

b) What was the **probability** that her prize was

    i)      a holiday? _____

    ii)      a CD **or** a T-shirt? _____

    iii)      **not** a cap? _____
