Prize draw

This task is about the chance of winning prizes in a competition.

Prize	Number to be won
T-shirt	25
CD	10
Cap	43
Holiday	2
Total	**80**

The table above shows the prizes a radio station was giving away. Each prize was printed on to a card. Kylie was the first winner to draw one of the 80 cards from a barrel.

a) Which prize was Kylie **least likely** to win? _____

b) What was the **probability** that her prize was

    i)   a holiday? _____

    ii)   a CD **or** a T-shirt? _____

    iii)   **not** a cap? _____
