A box of counters

Impossible

This task is about probability.

Sam has these 10 coloured counters in a box.

Colour	Counters	Total
Red		2
Green	00000	5
Blue		2
Yellow		1

Sam closed his eyes and picked out a counter.						
a) What is the chance that the counter is black?						
0	Certain	0	Good chance			
0	Even chance	0	Poor chance			
0	Impossible					
b) What is the chance that the counter is red, green, blue, or yellow?						
0	Certain	0	Good chance			
0	Even chance	0	Poor chance			
0	Impossible					
c) What is the chance that the counter is green or blue?						
0	Certain	0	Good chance			
0	Even chance	0	Poor chance			
0	Impossible					
d) What is the chance that the counter is red?						
0	Certain	0	Good chance			
0	Even chance	0	Poor chance
