A box of counters

This task is about probability.

Sam has these 10 coloured counters in a box.

Colour	Counters	Total
Red		2
Green		5
Blue		2
Yellow		1

Sam closed his eyes and picked out a counter.

a) What is the chance that the counter is black?

⊙ Certain	⊙ Good chance
⊙ Even chance	⊙ Poor chance
⊙ Impossible	

b) What is the chance that the counter is red, green, blue, or yellow?

⊙ Certain	⊙ Good chance
⊙ Even chance	⊙ Poor chance
⊙ Impossible	

c) What is the chance that the counter is green or blue?

⊙ Certain	⊙ Good chance
⊙ Even chance	⊙ Poor chance
⊙ Impossible	

d) What is the chance that the counter is red?

⊙ Certain	⊙ Good chance
⊙ Even chance	⊙ Poor chance
⊙ Impossible
