# Hot air balloon

This task is about choosing how likely some outcomes are.

A hot-air balloon landed on one of the three farms above.

a) The balloon was **most** likely to have landed on which farm(s)?

    (**A**)   Wright's farm
    (**B**)   Tainui farm
    (**C**)   Blakely's farm
    (**D**)   Blakely's **or** Wright's farm
    (**E**)   Any one of the farms

b) The balloon was **least** likely to have landed on which farm(s)?

    (**A**)   Wright's farm
    (**B**)   Tainui farm
    (**C**)   Blakely's farm
    (**D**)   Blakely's **or** Wright's farm
    (**E**)   Any one of the farms

c) What are the chances the balloon landed on the Tainui farm?

    (**A**)   Certain
    (**B**)   Good chance
    (**C**)   Even chance
    (**D**)   Poor chance
    (**E**)   Impossible
