

## Colour a spinner

---

Colour the spinner so it would be:

- **most** likely to stop on blue;
- a)
  - **least** likely to stop on yellow; and
  - have the **same** chance of stopping on red or green.
- b) What is the chance of the spinner stopping on blue? \_\_\_\_\_
- c) What is the chance of the spinner stopping on red? \_\_\_\_\_
- d) If the spinner is spun 1000 times, how many times is it likely to land on yellow? \_\_\_\_\_
