

Colour of lunch boxes

This task is about commenting on statements about what a dot plot shows.

Here is a graph that shows the colour of lunch boxes of all the children in Room 3. Some children have no lunch box.

Colour of lunch boxes of children in Room 3

a) Which person said something that was not correct?

☐ Emma

☐ Jack

☐ Maya

☐ Noah

☐ They all made correct statements.

b) Explain why you decided on your answer.
