

Favourite ice creams

This task is about reading information from a bar graph.

This graph shows what Jamie found out from his survey of favourite ice cream flavours.

a) Which flavour of ice cream was **most** popular?

b) Which flavour of ice cream was **least** popular?

c) How many children liked strawberry ice cream the best?

1 3 4 5 6

d) How many **more** children liked chocolate ice cream than banana ice cream?

1 3 9 10 11
