

World Cup soccer

This task is about interpreting data from a table.

This table shows the number of goals scored per game for the first round of the 1998 World Soccer Cup.

Number of goals scored per game	0	1	2	3	4	5	6	7	8 or more
Number of games	3	9	11	11	10	3	0	1	0

Work out the following from the table.

- a) In how many games were only 4 goals scored? _____
- b) How many games were played? _____
- c) How many goals were scored altogether? _____
- d) What was the average (mean) number of goals scored **per game** played? _____

If 32 teams took part in the first round, what is the average (mean) number of goals scored by **each team**?

e) _____
