## Whānau ages

This task is about reading information from a stem-and-leaf graph.

Here is a stem-and-leaf graph showing the ages of Kiri's whānau.
Ages

| 1 | 3 | 5 | 9 |  |  |
| :--- | :--- | :--- | :--- | :--- | :--- |
| 2 | 5 | 7 |  |  |  |
| 3 | 2 | 9 |  |  |  |
| 4 | 0 | 2 | 4 | 4 | 8 |

Look at the graph and answer the questions.
a) What age is the youngest person? $\qquad$ years old
b) What age is the oldest person? $\qquad$ years old
c) How many people are 44 years old? $\qquad$
d) Circle how many people there were altogether:
(A) 4
(B) 10
(C) 12
(D) 16
(E) 48
